ANSWER KEY

Name _____ Date _____

Computer · Algorithms

Fix the Algorithm

Number the steps for planting a seed.

1. Water the soil. 4
2. Fill a pot with soil. 1
3. Put the seed in. 3
4. Make a small hole. 2

ANSWER KEY

Name _____ Date _____

Computer · Algorithms

Write an Algorithm

Write an algorithm for washing hands.

1. _____

2. _____

3. _____

4. _____
