Name _____ Date _____

Computer · Algorithms

What Is an Algorithm?

Fill in.

steps order computer

1. An algorithm is a set of _____.

2. The steps must be in the right _____.

3. A _____ follows algorithms.

Name _____ Date _____

Computer · Algorithms

Fix the Algorithm

Number the steps for planting a seed.

1. Water the soil. _____
2. Fill a pot with soil. _____
3. Put the seed in. _____
4. Make a small hole. _____

Name _____ Date _____

Computer · Algorithms

Write an Algorithm

Write an algorithm for washing hands.

1. _____

2. _____

3. _____

4. _____

ANSWER KEY

Name _____ Date _____

Computer · Algorithms

What Is an Algorithm?

Fill in.

steps order computer

1. An algorithm is a set of **steps** .
2. The steps must be in the right **order** .
3. A **computer** follows algorithms.

ANSWER KEY

Name _____ Date _____

Computer · Algorithms

Fix the Algorithm

Number the steps for planting a seed.

1. Water the soil. 4
2. Fill a pot with soil. 1
3. Put the seed in. 3
4. Make a small hole. 2

ANSWER KEY

Name _____ Date _____

Computer · Algorithms

Write an Algorithm

Write an algorithm for washing hands.

1. _____

2. _____

3. _____

4. _____

Answers will vary.
