Name _____ Date _____

Geography · Landforms and water

Landforms

Match each landform to its meaning.

Write the letter in the box.

1. mountain
2. valley
3. plain
4. desert
5. plateau
6. island

a) low land between mountains

b) very high land

c) land with water all around

d) high, flat land

e) dry land with little rain

f) wide, flat land

Name _____ Date _____

Geography · Weather and climate

Weather Words

Match each word to its meaning.

Write the letter in the box.

☐ **1.** sunny

☐ **2.** rainy

☐ **3.** windy

☐ **4.** cloudy

☐ **5.** foggy

☐ **6.** snowy

a) water falling from clouds

b) bright sun all day

c) cold, white flakes falling

d) hard to see far

e) grey sky

f) air moving fast

Name _____ Date _____

Geography · Pakistan and its neighbours

Our Neighbours

Use the words in the box.

China **India** **Iran** **Afghanistan**

Arabian Sea

1. To the north-east of Pakistan is _____.
2. To the east is _____.
3. To the west is _____.
4. To the north-west is _____.
5. To the south is the _____.

Name _____ Date _____

Geography · Rivers of Pakistan

The Indus River

Read and answer.

The Indus is the longest river in Pakistan. It starts in the mountains of Tibet and flows through Gilgit-Baltistan, Khyber Pakhtunkhwa, Punjab and Sindh. It falls into the Arabian Sea near Karachi. Farmers use its water for crops, and Tarbela Dam is built on it.

1. Which is the longest river in Pakistan?

   _____

2. Where does it start? _____

3. Which sea does it fall into? _____

4. Which dam is built on it? _____

Name _____ Date _____

Geography · Crops and resources

Crops of Pakistan

Write each crop in its season.

wheat | rice | gram | cotton | mustard | sugarcane

Winter crop (Rabi)	Summer crop (Kharif)

Name _____ Date _____

Geography · Mountain ranges

Three Great Ranges

Match the mountain to its range.

Write the letter.

☐	**1.** K2	**a)**	Himalayas
☐	**2.** Nanga Parbat	**b)**	Karakoram
☐	**3.** Tirich Mir	**c)**	Hindu Kush

Name _____ Date _____

Geography · Deserts and coasts

Deserts of Pakistan

Match the desert to the province.

Write the letter.

☐	**1.** Thar	**a)**	Punjab
☐	**2.** Cholistan	**b)**	Sindh
☐	**3.** Kharan	**c)**	Balochistan

Name _____ Date _____

Geography · Map skills

Grid References

Use the grid to find each place.

Map grid: A1 school, B2 park, C1 mosque, A3 hospital

1. What is at B2? _____

2. What is at C1? _____

3. Where is the hospital? _____

Name _____ Date _____

Geography · Cities and population

Biggest Cities

Match the city to a fact.

Write the letter.

☐	**1.** Karachi	**a)**	city of gardens
☐	**2.** Lahore	**b)**	biggest city and port
☐	**3.** Islamabad	**c)**	famous for textiles
☐	**4.** Faisalabad	**d)**	capital city

Name _____ Date _____

Geography · Floods and earthquakes

Natural Disasters

Match the disaster to what happens.

Write the letter.

☐	**1.** flood	**a)**	the ground shakes
☐	**2.** earthquake	**b)**	too much water covers land
